

The Complementary Medical Association

Thank you for joining the CMA. Selecting to pay by Standing Order allows you to control your budgets better, by spreading the membership costs over the year. It will also make your life easier as it allows you to make regular payments without having the hassle of having to remember when – and how much – to pay.

Please complete this Standing Order form and return it to us here at the CMA, Blackcleuch, Teviothead, Hawick, Scottish Borders TD9 0PU

Remember to also enclose a cheque to cover your first quarters payment. (MCMA Student = £12.50, MCMA Associate = £25 and MCMA = £37.50) These amounts represent your annual fee, divided by 4.

We will ensure your bank receives your instructions and your next payment will be drawn from your bank in three months time. Thank you.
